DUP/TM 11

Hello

My father Sharadchandra Desai had 530 shares in above folios. My father expired in September 2011. However I am unable to find the shares.

I wanted to apply for duplicate shares and transmission of shares in names of joint holder/ legal heirs. However the only information that I have currently on file is for 80 shares as follows - Certificate No 19270 and Distinctive nos 11244648 to 11244727 (these are also missing).

It is possible that there was a joint holder on one or either folios. Would appreciate if you could revert with the information so that we can start the process for applying for duplicate shares.

Thanking you

Sadhana Desai
